Made a Mano Italy stands out for its great ability to mix cultures, techniques and to process both ceramics and lava stone.

The company was founded in 2001, in Caltagirone, Sicily, about 60 km from Mount Etna and benefits from over 40 years experience, research and passion of its founder Rosario Parrinello.

Made a Mano Italy is the only design and manufacturing company which has been able to collaborate with major projects in Italy and abroad.

The company is currently working in several capital cities in Europe and outside Europe, being able to fulfil project and design needs of the various global markets.

Sales manager: Rosario Parrinello

Materials: Ceramics and lava stone

Work techniques: All works are exclusively handmade by handcrafted techniques

Production: Cotto and stone tiles for wall and floor covering, sinks, shower trays, kitchen tops bathroom tops, tables, lava stone listels on different sizes and lava stone boards

Year of establishment: 2001
