MADE A MANO SRL, a company entirely Italian, conceived and created by ROSARIO PARRINELLO without branches or subsidiaries, it is present in various showrooms around the world, including New York. The business was founded 45 years, evolving over time, to become today a solid reality. Working in close collaboration with design firms, hand-made, you take care of the manufacture and decoration of ceramic tiles and/or Etna stone, enameling on customer need, up to a size of 3.0 x 1.5 meters, the finite elements are used for custom furniture, kitchens, bathrooms, pools, spas, shops, hotels and luxury houses.

Made a Mano Brand of Rosario Parrinello, it is also registered in the USA under authorities of USPTO (the United States Patent and Trademark Office) Serial # 86070265 - Reg. # 4722219. All patterns are copyright © by Italian registration. All reproduction or fake will be persecuted according to USA Law.
